

# GET TO KNOW US!

We are looking for a full-time position for

## Digital Photo Retoucher

to expand our Global Talent Hub team

Global Talent Hub is a subsidiary of one of the biggest and leading German E-Commerce company.

The Global Talent Hub was founded in 2016. During three years of operation the company has developed and grew in size. Our company is specialized in many different fields and consists over 35 young, professional and dynamic employees. The office is located in a central district of Tbilisi City. The company offers its employees a modern, comfortable and pleasant workplace as well as above-average payment, Christmas bonus and other social benefits. In summer 2020 we will move to our new office space in the most modern office building in Tbilisi, the King David Business Center.

### WHAT WE OFFER

We offer you continuous further development and an exceptional working environment through internal and external training. Our working atmosphere, as well as versatile, flexible working hours are not only motivating, but are brought together by pleasant things like a sport and cultural activities, team building activities to form more comfortable and family-like environment.

### YOUR TASKS

- Ability to perform basic editing tasks such as clean up different materials, skin retouching, color
- correction, lighting adjustment and cropping (clipping paths, alpha channels, layer masks)
- Edit a high volume of images under tight deadlines
- Should be able to work efficiently using Adobe Photoshop CC

### REQUIREMENTS

- 1-2+ years photo editing experience
- Advanced proficiency in Adobe Photoshop CC
- Outstanding retouching sense combined with a high level of skill, speed, and accuracy
- Professional and effective verbal and written communication skills
- Self-motivated with attention to detail, deadlines and reporting
- Able to work independently as well as in a team environment
- Follow written and verbal directions
- Good written and spoken English skills
- Proven ability to work efficiently and produce a high volume of retouched images
