

# ALL-ROUNDER WANTED!

We are looking for a talented

## Project Manager (M/F/D)

### WHO WE ARE

Triple A Internetshops GmbH is one of the leading e-commerce companies in Europe which serves over 18.000.000 customers and employs more than 500 people worldwide. This includes shops like [www.eis.de](http://www.eis.de), [www.satisfyer.com](http://www.satisfyer.com), [www.bilder.de](http://www.bilder.de), [www.druckerzubehoer.de](http://www.druckerzubehoer.de), and a multitude of other. The constant striving for further development and optimization is clear in the focus of all our businesses and is a fundamental component of our economic success.

### WHAT WE OFFER

To further strengthen the growth of the Triple A family we insure IT competencies at our new Technology Hub at the heart of Kyiv. There, you will become a part of young and dynamic team, working on exciting, challenging and far-reaching projects. You closely collaborate with our experienced international product teams in an agile environment. Our working atmosphere is modern, outstanding office located within the Business Centre Creative State of Arsenal. Our benefits include versatile and flexible working hours, medical insurance, sport and cultural activities – team building events.

### ROLE

· As a Project Manager you will be at the center of identifying, planning, business analysis, prioritization, managing a team and execution of software development projects. In this role, you would collaborate with our experienced international team from various business units in an agile environment.

### RESPONSIBILITIES

- Gather, document and break down requirements to manageable level and translate them into clear user stories and acceptance criteria for implementation by the local development team
- Act as an intermediary between our project management office and liaise with our development team located at the German headquarters

- Align project scope, goals and deliverables with the project stakeholders
- Identify areas for improvement and recommend options for potential solutions
- Provide work estimates for project tasks
- Monitor and control the entire software development flow – requirements gathering, prototyping, backlog management, development, testing, demonstration, maintenance

### YOUR PROFILE

- Experience in project management ideally with some exposure to e-commerce or web-based projects
- Experience in leading and motivation a development team
- A flexible personality with strong analytical and problem-solving skills
- A genuine curiosity about new technologies and exploring their practical applications
- Strong communication skills, including high level of interpersonal and presentation skills
- Ability to write in a clear and concise manner and to communicate effectively in English or German

### HOW TO APPLY

To apply, send your cover letter (including salary expectations) and resume to e-mail: [recruiting-kyiv@aaa-gth.com](mailto:recruiting-kyiv@aaa-gth.com), using the subject line "Project Manager (m/f/d)."
